OUR STORY, OUR PARTNERS

As proud partners of the Gold Country Pro Rodeo and the Marysville Stampede, two of Northern California's largest and successful rodeos, we are dedicated to keeping Western heritage alive and thriving while providing quality family entertainment for over 60 years.

Our events are produced by event production experts Ez Events, Inc and the legendary Flying U Rodeo Company, founded by Cotton Rosser, a name synonymous with excellence in professional rodeo production. After a ranch accident in 1956 ended his competitive career, Cotton purchased Flying U Rodeo and transformed it into one of the most respected stock contracting firms in the sport.

Known for producing world-class events such as the National Finals Rodeo, The Reno Rodeo, and the Grand National Rodeo in San Francisco, Cotton built a reputation for blending top-tier competition with unmatched showmanship. Inspired by the pageantry of rodeo's golden era, Flying U brings energy, creativity, and professionalism to every performance from thrilling specialty acts like Trick Riding and Bull Jumping to unforgettable opening ceremonies that captivate audiences of all ages.

Today, the Rosser family, the Flying U and our team continue that proud tradition, delivering high-quality rodeo productions that celebrate the spirit of the Old West while creating dynamic opportunities and memorable experiences for our community.
